This year the Vigilante staff have decided not to dedicate the annual to one single person.

We want to dedicate this book to our high school that has served students ever since 1937. Open for the first time in the fall of 1935 and closed a few short weeks later due to earthquake damage, and reopened again in 1937, this building has served as a senior high school for eighteen years. Next fall it will open its doors to junior high students whom it will continue to serve for many more years to come.

Also in deepest gratitude we want to thank all the teachers, administrators, everyone who has contributed to helping us and other students through our high school careers in Helena High.

We hope you will like the book and that many happy memories will arise of days spent here as you turn its pages.

# In Memoriam

In having this page in memory of Mr. W. W. Wahl we are doing a very small thing in comparison with his dedication of his entire life to teaching.

The general chairman of the Vigilante Parade for many years, Mr. Wahl helped the students of HHS produce the parade which has gained an outstanding reputation. The Wahl Cup, to be presented annually to the class representing the largest number of prize winning floats, presented for the first time last year, accorded him the honor of a special trophy.

He was born in Sprink county, South Dakota, April 25, 1886 and died in Helena, June 15, 1954.

He began teaching in eastern Montana in 1921, became principal of Boulder public schools in 1923 and served as principal of Beaverhead County High School from 1929 to 1935. From 1935 to 1944 he was principal of Helena High and mathematics instructor until his illness.

Thus, we would like to set aside this page in his memory.

# Faculty and Office

**Through this door enter the people who help guide us through our high school careers.**

## MR. OGREN

A friend to all students, Mr. Ogren has helped us during our past year of school. He is ready to help us with any problem that may arise. Next year the problem of a new high school will face him, but we know that he will run it as smoothly and efficiently as the present high school.

## MR. RUSSELL

The airport school has become one of the best of its kind in the nation under the guidance of Mr. Russell. Besides being principal of this school Mr. Russell also teaches welding. Since he took over in 1946 he has worked tirelessly for continued betterment of the school.

## MR. BOTTOMLY

New this year to HHS, Mr. Bottomly has done an excellent job. He has earned the respect of students and teachers alike. Making out absence slips, helping students check on necessary credits and plan courses are just a few of his many duties. Mr. Bottomly has proven able to carry out his many jobs in the best way for all involved.

## MR. FELLBAUM

The "unsung hero" of the Helena school system is Mr. Fellbaum. Efficiently managing the schools and doing his job well has earned him the title of the top superintendent in the state. Many students do not realize his tremendous work.

## SCHOOL BOARD

The school board are the people "behind the scenes" who run our school. They decide the length of school year, and employments — just a few of their many duties. They are interested in all phases of student life and the details which are connected with school.

Left to right: Mr. Kind, Mrs. Larison, Mr. Rossiter, Mr. Reuterdahl, Mr. Knox, Mr. Fellbaum, Dr. Bjork, Mr. Patterson, Mr. Baucus, Mr. Riegel, Mr. Janes.

## SCHOOL ADMINISTRATION

After the orders are given these people perform the jobs essential to the smooth running of the school system. Doing their work quietly and efficiently they are noticed little by the students.

**First row, left to right: Ted Cooney, secretary; Sam Sampson, representative. Second row: Ben Notti, treasurer; Judy Retz, vice president; Ronald Dalley, president.**

Friendly and "up and coming," the Class of '57 has held their second step rung of our high school ladder well, by copping the much sought after Roberts Cup their freshman year, and by giving a "get acquainted" party for their own class their freshman year.

Ronald Dalley led the class in a highly successful "Welcome Frosh" dance this year for the incoming freshmen with "Hit Parade" as its theme.

Freshman class officers were Alan Stratton, Bob Cooney, Jae Retz and Eldon Pickering.

The class is sponsored by Miss Giese, Miss Morse and Mr. Sprinkle.

# SCHOLARSHIPS

There are many scholarships available to eligible seniors this year. Besides the ones listed, many students took scholarship tests from the school they were interested in.

The University of Montana makes available scholarships to high-ranking seniors. The scholarships can be used at any of the divisions of the Greater University of Montana and are for various amounts.

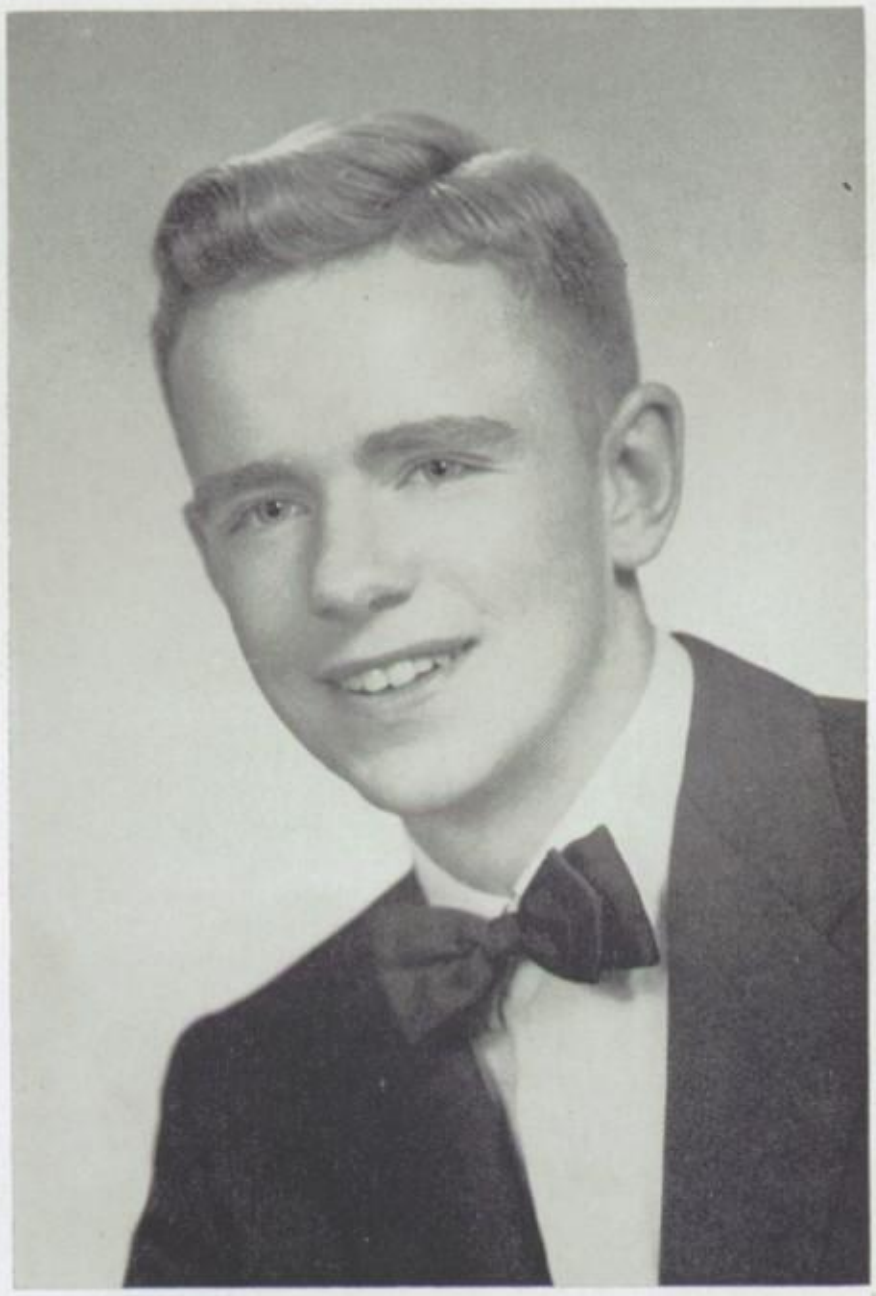
This year Montana State University gave scholarship tests to seniors in the state and warded 12 full fee for one year scholarships to the top ranking people.

High School Week in Bozeman, sponsored by Montana State College, is open to the twenty seniors with the highest averages and who are able to attend. During the week, tests for achievement and aptitude are given. High School Week was April 29, 30 and May 1.

The Elks scholarship, awarded by the local BPOE chapter of Helena, consisted of fifty dollars first prize, twenty-five dollars second prize and fifteen dollars for third.

The Catholic boy with the highest average is presented a scholarship from Carroll College. If he does not wish to use it, it goes to the next highest.

For science students, the Bausch and Lomb science award is presented to the most outstanding science student throughout high school.



# Valedictorian

**WILLIAM BRUCE**

Besides maintaining a high average while in high school, Bill also has been very active. He is a member of Honor Society and is president of this group, belongs to 3-7-77's, Latin Club, and is a three-year letterman in track. In his junior year he was a delegate to Boys' State. Very quiet and studious, Bill is liked by all who know him. Bill plans to attend college next year.

# Salutatorian

**VIRGINIA BACON**

**4.900**

Efficient in many different ways, Ginger has proven herself very capable during her high school career. Even while maintaining a high average she is still very active. She is business manager of the Nugget, a member of Honor Society, Quill and Scroll, Thespians, GAA and Girls' H-Club. Ginger is very willing to help people and she always does a thorough job whenever asked to work on a committee. She plans to attend Montana State University and study teaching.

BONNIE NORLING

JEANNIE CLARK

These three candidates were picked by the senior girls and then from this group the faculty chose Bonnie.

# GIRLS' STATE

**Prudy Clemo, Bev Berg, Carolyn Wells, Frances Stockdale, Laura Olson**

Each year the faculty selects ten girls who are voted on by the junior girls. Six are selected, three delegates and three alternates. The three girls chosen meet with girls from all over Montana to learn about the American type of government at Rocky Mountain College in Billings. They are sponsored by civic organizations.

They are sponsored by civic organizations.

# In Memoriam

To the memory of Renee McCarty, a member of the senior class, who died March 8, 1955. Renee was born in Clackamas county, Oregon, on June 21, 1936. The members of the senior class deeply regret the death of this quiet, reserved girl.

**The mural at Helena High school has been constantly gaining fame since it was put up in the main hall three years ago. Many visitors from all over the state ask about it when they come to Helena High school. It was painted by Irvin (Shorty) Shope, who captured perfectly the picture the Four Georgians saw when they came to Last Chance Gulch July 4, 1864. The class of 1955 was one of the classes which raised money to pay for the masterpiece. The idea for the mural was started by Miss Greene.**

# VIGILANTE PARADE SNAPSHOTS

**The new cup introduced last year made competition for parade prizes even keener. The Wahl Cup, in honor of the late Mr. W. W. Wahl, was first presented last spring and won by the Class of 1954. The cup is given to the class having the greatest number of prize-winning floats in the parade. The Roberts Cup was copped by the Class of 1957. A small replica of the keelboat Mandan won the sweepstakes prize. The parade was a great success.**

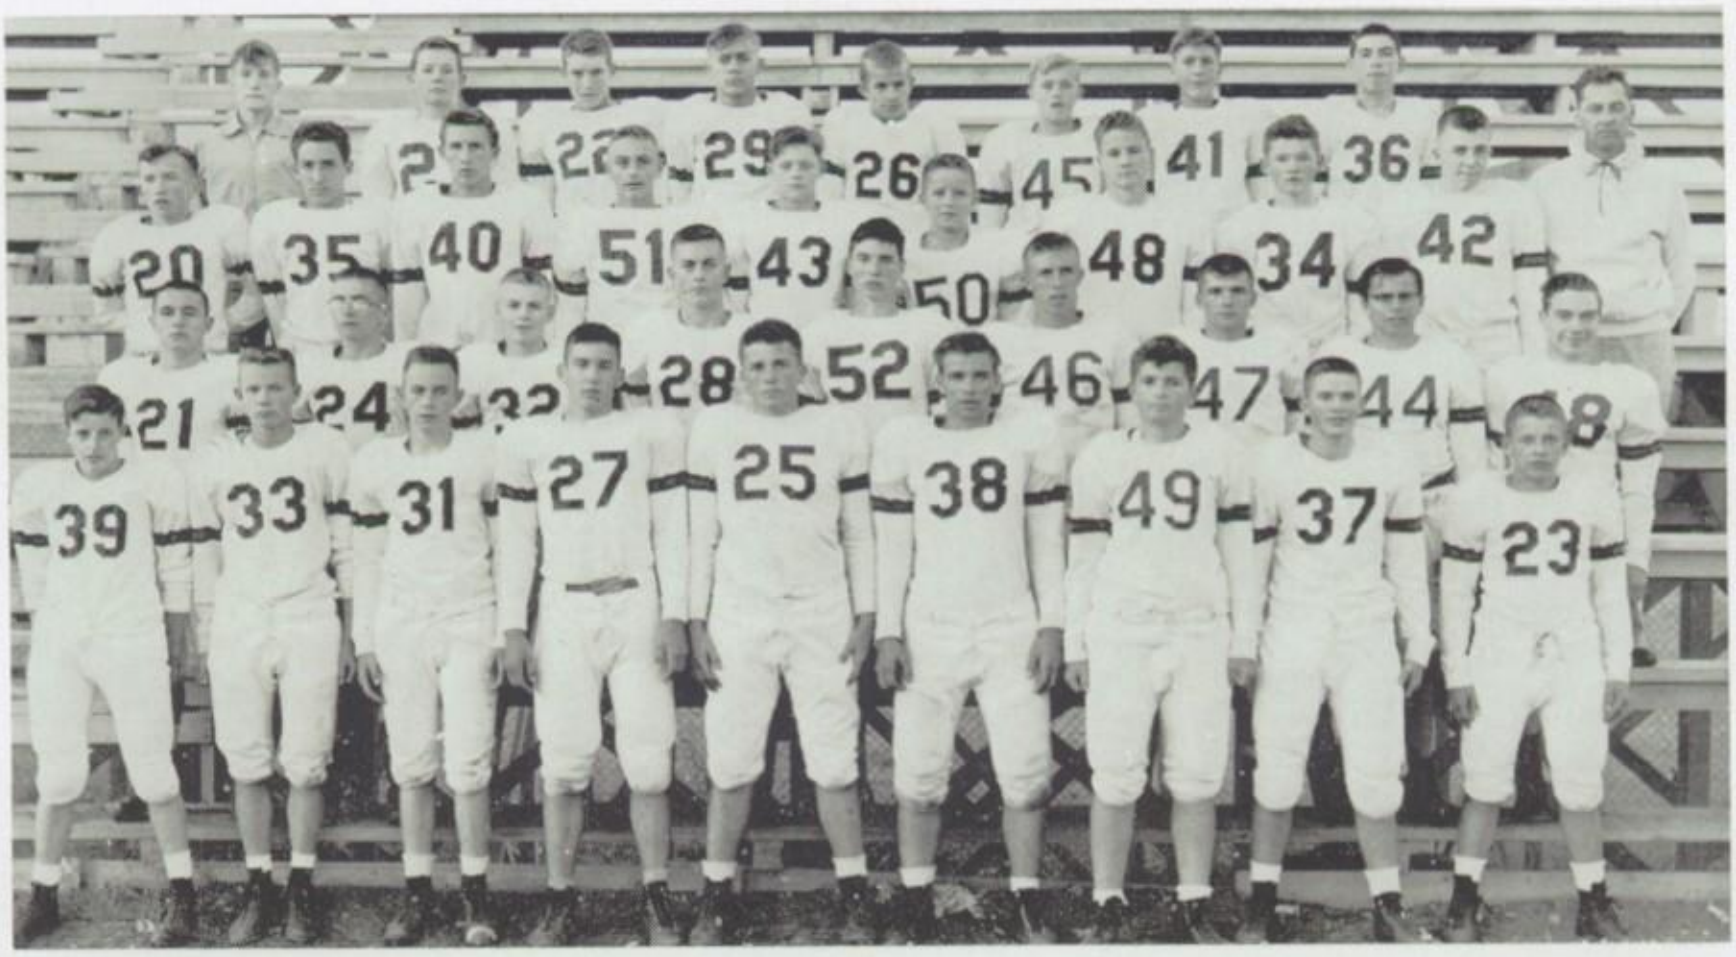
# FROSH FOOTBALL



First row, left to right: Jay Harding, Marty Welch, Bob Redpath, Bob McCullough, Dick Coe, Bob Stewart, Richie Munger, Steve Barnes, Jack Rudio; second row: Larry Guthrie, Bob Cutler, Ed Joneschild, Spike Moe, Jeff O'Connell, Bud Glasby, Breck Howard, Ed Moe, Frank Patterson; third row: Mike Miles, Pat Heller, Bob Hunter, Loren Larson, Bob Sigety, Steve Seely, Frank Stephenson, Dick Shope, Jim Barnes, Coach Chuck Johnson; fourth row: Butch Bjoin, Dick Kelly, Jim Grandy, Reggie Toumi, George Malben, Bill Robertson, Dick Cary, Dave Goodman.

This team was one of the best freshman squads in the state. The boys gained valuable experience on the gridiron, ably coached by Chuck Johnson, winding up the season with a record of one win, two losses and a tie. They should prove to be good varsity material in future years.

# VARSITY BASKETBALL

Front row, left to right: Bob Rudio, Bruce Casebolt, Ken Bailey, Jim Kelly, Gary Fellbaum, Norman Gray, Jeff Condon, Bob Willis; second row: Coach Skor, Terry Screnar, Lanny Fred, Otto Klein, Jack Watson, Bob Ogren, Dick Wiklund, Bob Clark.

Montana Class A champions for two years the Crimson and White got off to a shaky start in December, 1954 in their bid for a third straight crown.

Improving all during the season the Tigers closed their Big 16 season with a defeat at the hands of the Butte Central Maroons and wound up the season in a fifth place tie with Glendive.

After weeks of practice under the guidance of Bengal Mentor Lloyd Skor, the Cats traveled to Butte to defend their Class A crown, where they played flawless ball in downing the Missoula Spartans in the final game, 59-52.

The 1954-55 Crimson Bengals didn't break many records or build up a big name for themselves, but they showed what teamwork and a will to win can do.

# STATE CHAMPS AGAIN

It is plain to see by the glowing faces of these Crimson Bengals that they have just won their third straight Montana Class A basketball championship, equaling the record set by the 1914-15-16 Helena High teams. The 1954-55 edition of the Crimson and White were a group of average American high school boys with great team spirit, a will to win, and determination to fight against odds. They were truly CHAMPS in every sense of the word.

The Kittens wound up a highly successful season coached by Bernard McGinley and on top of the Little Sixteen, which is a habit, it seems, for Coach McGinley's teams. The boys should be extremely good in future varsity competition. The Kittens' season record was 12 wins and one loss.

# FROSH BASKETBALL

First row, left to right: Jon Carlson, Bud Glasby, Spike Moe, Chuck Thomas, Breck Howard, Bill Holmes; second row; Coach Bob Blasi, Jack Rudio, Dick Kelly, Bill Spurzem, Marty Welch, Bob Kuchenbrod, Mike Miles; third row: Dave Goodman, Bob Hunter, Brian Mack, Bob Redpath, Bob Pare, Jay Harding.

The freshmen, coached by Bob Blasi, ended their season as one of the better frosh teams in the state. The boys learned the fundamentals of basketball this season along with some valuable experience. Their record was five wins and three losses.

Batboy, Jeff Peterson.**

The 1954 Helena American Legion Juniors won the Central division race with an 11-1 record and placed second in the state meet to Billings.

They finished the season with a won and lost record of 21 and 8. The second in the state tournament was the highest a Helena team had placed since the starting of the Legion baseball program.

Coach Herb Atkins will have 10 lettermen returning for next year's squad. They are catchers Norm Gray and Keith Foster, pitchers Tom Kindrick and Lanny Fred, and outfielders Jim Cottrill, Rollie Fisher, Ken Neill and Bob Rudio. Gray and Fred will be able to play due to the change in the eligibility rules governing the age of players.

Lost to the team will be pitchers Bud Carbis and Jeff Condon, infielders Frank Montibeller and Gary Schmidt, catcher Gary Rekstad and outfielder Tom Schneider.

Dave,

Why haven't you phoned me lately? We sure had a good conversation. And of course I'm always ready for a good long talk. How was Demolay in Townsend? I mean't to ask you yesterday but you weren't here. You're coming to installation I hope!

Did you ever see the H club boys light the H? I guess I'm finally got back to your annual again. I've sign everyone in the class.

I hope you aren't going away this summer because I think we can have alot of fun. I have to tour the state for about two weeks with some Business associates of my father's but after that I hardly think I be going anyplace.

I can't think of anything to say except that I was glad you called the other night. And that you're a freshman! See? Nothing makes sense? I read over what I've written so far and you'll probably think I'm dumb. (Which I am!) Loads of luck next year and let me write in your annual next year. Be good to your girl friends, but don't toss them aside like pennies. Best of luck always. I'll reserve a place for you in my annual so you better think of something good.

Madalyne Lacebolt

P.S. Have you paid your class dues?
